Cheers & Beers Calusa Waterkeeper Celebration

What: A Party!

When: 6 PM to 10 PM on Thursday, February 16th

Where: Yucatan Beach Stand, 250 Old San Carlos Blvd, Fort Myers Beach

Why: To celebrate passing of the torch from Caloosahatchee River Citizens Association, Inc. (Riverwatch) to our new incarnation as CALUSA WATERKEEPER

Dear Members & Friends,

If you aren't already aware CRCA became a full-fledged member of the WATERKEEPER Alliance on December 19th, 2016. We wanted to wait until the holiday season was over before having our public debut. Now it's time!

Libation: Craft Beer on Tap (All proceeds to benefit Calusa Waterkeeper)

So, grab your significant other, friends, and neighbors on Feb 16th and come down to celebrate our transformation. After you've had a beer or 2, plan on having dinner as well. The Yucatan has a great menu. I personally go for the spicy conch chowder and the clam chowder. If you're looking for something a little different get a bowl of the 2 chowders mixed - I love it!

Put the date in your calendars now! Remember all proceeds from the craft beer sales goes to Calusa Waterkeeper! By supporting Calusa Waterkeeper you are helping all of us in our fight for clean water, because we all deserve clean water that is swimmable - fishable - drinkable.

Help us get the word out via Twitter, Facebook, Instagram etc.

Thank you.

Jack Green, Executive Director
Calusa Waterkeeper

Protect and Preserve the Caloosahatchee River from Lake Okechobee to the Coastal Waters.

Calusa Waterkeeper is a member of Waterkeeper Alliance, the largest and fastest growing nonprofit solely focused on clean water with 370 member groups worldwide.
