All proceeds will go to the Matlacha/Pine Island Environmental Fund, to be used exclusively to fight the Cape Coral Annexation, to replace the Ceitus Boat Lift Barrier, and to force Cape Coral to comply with the Clean Water Act. This will be our largest fundraiser to date and will go a long way in providing funds for the legal battles ahead. It promises to be a fun-filled day of community and advocacy.

Major Contributors to the auction will receive DON’T ANNEX MATLACHA T-shirts created by The Pine Island Greatest CLEAN WATER Gallery owner Rachi Farrow, bumper stickers, the famous MPI bumper decal created by MCA Board Member Judy Grove, and publicity on this website and in our “Watercolors” Program. Contributors may volunteer items by sending an email to PINEISLANDSTRONG@gmail.com All businesses and individuals who donate will receive publicity on our website, Pine Island Strong FaceBook page, and on our event day Contributors Board.
