## Calusa Waterkeeper Supports Florida Senate Bill 10 A Water Storage Reservoir South of Lake Okeechobee

Please contact your legislator before **April 12** in time for a vote of the full Florida Senate and support Senate Bill 10

Find your legislator at:

<http://www.flsenate.gov/Senators/Find>

- Consistent with University of Florida Study recommending storing additional water both north and south of Lake Okeechobee
- Consistent with recent National Academies of Science findings that current water storage plans have underestimated total storage
